HOTELS & CORPORATE PARTNERS

TOP ACTIVITIES FOR YOUR SUCCESS

This new marketing plan combines the activities from TOP INTERNATIONAL Hotels, TOP City&CountryLine (TOP CCL) which represents the TOP exclusive line (exclusive activities marked in Blue), FAMILHOTEL (marked in Yellow) and our joint venture partner VCH-Hotels Deutschland (marked in Orange). Starting on the 01st January 2009 until 31st December 2009 the activity plan includes a lot of activities which will be organized for the first time (marked in Red).

HOW DOES THE HOTEL WORK WITH THE ACTIVITY PLAN

The structure of TOP INTERNATIONAL Hotels asks for certain flexibility, therefore, changes in the time schedule might occur. In order to make the use of the marketing plan more efficiently, we suggest to concentrate on the following points:

- Addresses- or contact reports will not be given out without any proof of its purposes.
- Sales activities are to be found on the homepage www.topinternational.com or www.topccl-hotels.com under press room, login section.
- Short summaries for various trade fairs will be given at www.topinternational.com or on www.topccl-hotels.com under press room, login section. Certain fairs have a co exhibitor contribution fee. Key travel trade fairs as ITB and WTM are meant to be meeting points for hoteliers and clients. All partners are most welcome to join in and take full advantage of our combined stand with Golden Tulip Hotels.

This activity plan and permanent communication with the TOP/ TOP CCL Head Office combined with attendance to TOP trainings will ensure to get the most out of the partnership with TOP INTERNATIONAL Hotels & Corporate Partners. The training dates are set depending on urgency, new hotel staff and/or individual requests by hotels. We urge every partner to at least participate once a year in a training. Next to explanations on the fast moving development in electronic distribution the training will assist the hotel staff in understanding the meaning of successful handling of the GOLDRES system.

SPECIAL INTEREST TRAVEL PLANNERS

Within our new established marketing partner Bruckmann media we will offer our partner hotels participation in a number of special interest travel planners and advisors. The product portfolio is ranging from hiking over to culinary trips, motor bike routes, cycling, wellness to historical paths and pilgrim travel. Participating hotels will be published as preferred locations and/or insider tip.

WELLNESS / MEDICARE PROMOTION

Following the very detailed and highly restricted selection criteria for implementing a hotel in a medical wellness or prevention distribution channel, we searched and found appropriate online partners, specialised in marketing activities with less restricting specifications. This will offer a vast number of wellness partner hotels to be considered in those product lines.

ODD-R - HOTEL DATABASE

In the end of the year 2008 the old hotel database ODD has been undertaken a complete relaunch. This new tool will enable our hotels to upload even more precise information on the individual hotel and with this giving out very accurate information to possible guests. By March 2009 all direct connected websites will be certified by Pegasus using this new system.

PRINT MEDIA DISTRIBUTION

After conducting a research on a number of online catalogue ordering websites, we will focus in 2009 on the market leaders of those ordering systems. With doing this the distribution of our print media, f.e. Hotel Directory and Happy Days brochure will be made available to an enormous amount of end users. Together with the online, interactive brochures on our website we will be highly sophisticated and modern in media distribution.

COMBINED ADVERTISEMENTS MASS MEDIA

After successfully having concluded marketing campaigns and targeted topic advertisements in high class magazines like „Feinschmecker“ and „Savoir Vivre“, we will in 2009 round up this success, with being present in mass print media, going out to millions of readers and potential clients. This activity shall be accompanied with newly established cross linked website partnerships and co-registration emailings.
